Option B: Peanut Butter and Jelly (uncrustable style) with the sides of the day.

St. Paul is a National School Meals Program and abides by the Government Nutritional Standards. The Meal Guideline is one main entrée or meat alternate, a whole grain, a vegetable, a fruit and a milk. The students must take a fruit or a vegetable with their meal. Allergy Notice: The lunch program uses a variety of pork products. Products may be produced in a plant that also processes milk, egg, wheat, soy, peanuts and tree nuts. This institution is an equal opportunity provider.

All Menu Items Are Subject to Change Without Notice.
